This Pre-Conference Assembly's primary purpose is to discuss the agenda items of the current General Service Conference (which is usually held in April in New York City) and inform the delegate of the Area's group conscience, thoughts and experience on the Agenda items that will be before the Conference Delegates. In preparation for the Pre Conference Assembly, GSRs should bring information about the Agenda Items to their groups for discussion and input. They will share this feedback with our Delegate at the Assembly (either in person or online). Our Delegate is also scheduling Agenda Topic Workshops with Districts. You contact him at delegate@cnia.org to make arrangements.

Hybrid participation is available for this assembly. The Tech Committee will do everything to ensure seamless connection and participation for the full Hybrid Assembly. With Wi-Fi, there is always a possibility of lost connection.
